

Buy A Brick To Help Build Marysville's Historical Museum

In 1986, The Marysville Historical Society purchased a plot of land off Armar Road for the future site of a history museum. We are now ready to move forward to the final phase ~ construction. This museum will be in the hands of our community - keeping the colorful history and knowledge of Marysville alive for future generations.

By purchasing a brick, you will not only help raise the funds necessary to complete the museum, but your brick will be laid in an entry or walkway - you will be forever a part of Marysville History.

Bricks are great to:

- Celebrate a birthday or anniversary, birth of a child or wedding day
- Congratulate a graduate - grade school, high school or college
- Remember a pioneer family or in memory of a departed loved one
- Advertise your organization or business
- Just about any occasion can be put on a brick!

Symbols representing animals, occupations, holidays and special occasions, organizations, sports and recreation, may be selected for an additional \$7 to \$17. Actual signatures, children's art work or special logos are priced on an individual basis.

Mail your order form to:
Marysville Historical Society
PO Box 41 • Marysville, WA 98270
Phone (360) 659-3090

(Make Checks payable to Marysville Historical Society)

Clip and mail  -----

Please fill out (1) form for each brick ordered. Print clearly - a confirmation will be mailed to you prior to engraving the brick. If you would like to include a symbol or custom artwork on your brick, contact the Society at 360/659-3090 for pricing information. *(Make checks payable to the Marysville Historical Society)*
