

Help Us Keep Marysville History Alive!

Since the first meeting of the Marysville Historical Society in 1974, we have maintained a record of Marysville's history and development. Through collection of artifacts, researching stories and sharing our heritage with the community, The Society has worked towards a primary goal ~ the creation of a Marysville Historical Museum.

In 1986, The Society purchased a plot of land off Armar Road as the future site of this museum. An architect has created the museum on paper and now we are ready to move forward to the final phase ~ construction. The Marysville Historical Society is a non-profit organization and the building of this museum will be in the hands of our community. Marysville has a colorful history. Through this museum, we will keep that knowledge alive for future generations.

◀ The Gehl Pioneer Homestead, built in 1884, was renovated by the Historical Society and is located at Jennings Park.

▶ The city of Marysville Water Tower preservation was completed December 2002.

All contributors will be recognized in the Historical Society newsletter and in the Marysville Globe upon completion of the museum. Donors of \$500 and up will be honored on plaques permanently displayed in the new Museum. Thank You!

Marysville Historical Society is a 501(c)3 and is tax deductible.
