Old Business and Committee Reports

● Newspaper Digitization: Peter mailed those in about a month ago. He called in about two weeks ago, and MHS was in the queue to be next, but they said it would take a couple of weeks to digitize everything.

● Sound Publishing, which owns the Globe, recently sold to another company. Peter also received an email on the 21st from the State Library stating that Sound Publishing is getting rid of all of its archives, so all of its Globe archives are available for MHS to take.

A. Endowment Fund: The MHS savings account has now been transferred to the money market account with an interest rate.

New Business

A. Ebey Slough Bridge: The city wants to get the bridge pieces out of public works by the end of May. Peter, I toured the proposed site where we want the pieces with the guys from Public Works, and they will plan a day to bring it over. They will transport it for us and then dig the trenches for us.

B. B. Storage Shed: We have purchased a custom-built storage shed. We had a committee review. If they select a company in North Marysville, they will assemble the shed for us on May 15th.

C. C. 2025 Cemetery Tour: September 13th

D. D. Gehl Home me

● Opening May 24th

● Clean-up day is May 3rd at noon

A. Red Curtain Foundation fundraiser: September 6. MHS has a Table
