Dear Marysville Historical Society Members,

The Marysville Historical Society was founded in 1974 and we continue to strive to preserve the history of Marysville and keep the passion alive for future generations. Community members and visitors from all over the world have continued to allow us to thrive and share our love for our city.

We invite you to take the opportunity to make a permanent impression on the history of Marysville by supporting the Marysville Historical Society and purchasing a brick. The museum features bricks laid at the entry way of the museum.
